

Y-BAND

WHATEVER THE WEATHER

The dual purpose Band-stand is equally at home in or outdoors. Although lightweight and easy to transport, simply fill the base with water to transform the Band-stand into an eye-catching outdoor display, stable even in windy conditions.

Fitting your banner is quick and simple. No tools are required and the clever telescopic pole always ensures your banners look great.

SIMPLE , ROBUST, RELIABLE

The robust stand is made of impact resistant plastic, aluminium and carbon fibre to withstand the rigours of outdoor use. Whether it's used in a shopping centre, or in a muddy field, dirt can simply be washed off ready to pack the

Stylish indoor version with cast aluminium base

Simply fill the base with water for outdoor use
