Set up instructions

2

Unpack unit from carry bag. Assemble 3 part elasticated pole. On Eco-Rollas rotate foot at bottom of base.

4

Grip top bar firmly and pull up.
DO NOT LET GO - letting go could cause damage to the graphic and base unit.

3

Insert pole into hole on base unit

5

Attach the top bar to the pole.

Taking down: reverse of putting up but make sure you feed the banner slowly into the base unit. Do not let the top bar go.

EXPOLITE

With so many different substrates on the market any advice given on material is for guidance only. The compatibility of substrates with expolite hardware must be determined by the purchaser.
